

THE PILGRIM WAY

“But our citizenship is in heaven, and from it we await a Savior,
the Lord Jesus Christ” (Philippians 3.20).

MARCH 2024

Repentance, Faith, New Life

During our Lenten midweek services this year, we are engaging in Honest Repentance. As Lutherans, we believe that true, honest repentance always involves two things: “First, that we confess our sins, and second, that we receive absolution, that is, forgiveness, from the pastor as from God Himself, not doubting, but firmly believing that by it our sins are forgiven before God in heaven” (Small Catechism, V.1). Those two things correspond to the first two chief parts of the Small Catechism, the Ten Commandments and the Apostles’ Creed. By these, the Law and the Gospel, the Holy Spirit moves us from repentance to faith.

But as Lent gives way to Easter and the cross gives way to the empty tomb, so repentance and faith give way to new life in Christ, that is, the life of holiness marked by obedience to the commands of God and trust in the promises of God. In other words, there is a third thing for us to experience as indicated by the three items within the green circle pictured above. Through the Ten Commandments, the Apostles’ Creed, and the Lord’s Prayer, the Holy Spirit works in us repentance, faith, and new life in Christ.

The Small Catechism does not only contain the essential doctrine of Christianity. Its first three texts work together as a living movement of the Holy Spirit. The remaining three chief parts of the catechism locate this threefold movement of the Spirit in the three promised means of the Spirit: Baptism, Confession and Absolution, and the Lord’s Supper. Through the Small Catechism, the Holy Spirit not only teaches God’s children the essential truths of Scripture, but also shapes and forms them to be the children God their Father has called them to be.

March 24, 2024 is Palm Sunday. It is also the Sunday of the Passion. The service shifts sharply from the triumphal entry to the suffering and cross of Christ. With Christ our Savior at the center that day we will also witness the Rite of Confirmation. This past schoolyear, Evangeline Rusnak and Trevor Staff have been catechized and prepared to confirm the faith the Holy Spirit has worked in them since their Baptism, to examine themselves in preparation for the worthy reception of the

Lord's Supper, and to publicly confess their faith in Jesus Christ as their Lord and Savior. As we witness their Confirmation, we will be reminded of our own Confirmation in the faith as well as the living movement the Holy Spirit is still working in us.

These offerings will be split between the Bakers and Ferrys as the two missionary families that we current support. This amount is also above the amount budgeted to support those families. Thank you!

Supporting A Place of Refuge

As reported last month, during the month of February, we were collecting special offerings to help fund an interior security camera system for A Place of Refuge Ministries, to help the network of volunteers and staff who are committed to life and to caring for women facing crisis pregnancy in South Wisconsin.

Through February 29th, Pilgrim members donated \$2,085, which was then matched using Memorial Funds as approved by the Church Council. We were able to provide \$4,170 of the \$5,000 that was still needed for their security system.

Thank you to everyone that so graciously responded to this need.

PILGRIM LWML by Ruth Mueller

As time Marches on, it is time for another Pilgrim Way article, and we continue to be “Abiding in Christ’s LOVE.” This has been the 2022-2024 biennium theme for the South Wisconsin District LWML. It is based on 1 John 4;15-16:

“Whoever confesses that Jesus is the Son of God, God abides in him and he is in God. So we have come to know and to believe the love that God has for us. God is love, and whoever abides in love abides in God, and God abides in him.”

Focusing on God’s love for us, believing that through Jesus’ death and resurrection we have forgiveness of sins, salvation and eternal life, we can then, with the guidance of the Holy Spirit,

Serve one another, Study Scripture to know, and Share...CHRIST’S LOVE!

The official word from the district is that we our 2022-2024 Mite Goal has been met and all of the SWD Mite Grants have been paid! PRAISE THE LORD! There are 22 new Mite Grant Proposals that will be on the ballot for the district delegates at convention in June. Watch for more information about them in the coming months. The mite box in the narthex can still be fed as we get a head start on collecting for the new grants and also continue funding the national grants. Remember, for every \$1 that is collected, \$.25 goes to the national grants.

Since our local group is meeting on the second Thursday each month from 9:30-11:30 for an LWML focused Bible study and fellowship, we welcome others to join us to learn more about LWML as a whole and to FOCUS on Jesus as we reach out through missions. Ten of us receive the Lutheran Woman’s Quarterly magazine and we are willing to share our copies. We will leave them on the table under the LWML bulletin board (at the bottom of the steps) when we have read them.

Another activity this month will be the LWML SWD Heart to Heart Sisters Event on Saturday, March 16th. It is the annual multicultural event that gives us the opportunity to see and to hear how sisters from other cultures embrace their Christian faith under the theme “Hearts for the Harvest” Matthew 9: 37-38. It will be held at the Granville LUMIN school. See the posters in the narthex and in the basement, along with a planned schedule on the LWML board. If you are interested in attending, let Ruth Mueller or Diane Kosbab know so that we can plan carpooling and RSVP to the organizers to ease their planning. So, this month’s dates to remember are:

March 14th – 9:30-11:30 a.m. – Pilgrim LWML focused Bible Study – Fellowship Hall

March 16th – 8:30 a.m.-2:30 p.m. – Heart to Heart Sisters Event – Granville LUMIN school

(this can be an all-day event or come and go as you wish, lunch is included with tasty ethnic foods, free will offering)

This month, besides the March Prayer Calendar, the story and prayer guide for LWML Grant #8, “Expanding Gospel Proclamation Worldwide - \$100,000” is included. Look for additional photos of some of the men who have been in this program at Concordia Seminary in St. Louis on the LWML bulletin board. LWML Grant #25, “Bringing God’s Word to India,” has been paid. See the following news release.

NEWS RELEASE:

2023–2025 LWML Mission Grant #25 Bringing God's Word to India — India Bible Translation Project — \$100,000

Thank you for your generous mite offerings to support LWML Mission Grant #25 “Bringing God’s Word to India.”

Dr. Paul Dasari met with Lutheran Women in Mission President Eden Keefe at the LWML Office, and was presented with a check for the first portion of the mission grant for the India Bible Translation Project.

About this grant:

Thirty-two million Christians living in India do not have access to a study Bible in their own language that has abundant, doctrinally sound study notes, and commentary to help in understanding God’s Word. The India Bible Translation Project’s mission is to publish the study notes and commentary from The Lutheran Study Bible into the Tamil and Telugu language. This grant will provide funds to complete the translation work. With The Lutheran Study Bible translated in their heart language, indigenous Indian pastors, seminarians, and members of Lutheran churches in India and Sri Lanka will be better able to understand and share the Good News of Jesus Christ. The Indian Lutheran Study Bible will be a great blessing to the members of the India Evangelical Lutheran Church and Ceylon Evangelical Lutheran Church in Sri Lanka.

EXPANDING GOSPEL PROCLAMATION WORLDWIDE

CONCORDIA SEMINARY, ST. LOUIS, MISSOURI | \$100,000

Advanced Theological Education for International Students

We rejoice knowing that in a number of countries, Christianity, including Lutheranism, is growing, and increased numbers of people are being reached with the Good News of Jesus Christ. However, ensuring the continued spread of the Gospel overseas with informed interpretation of Scripture according to Lutheran doctrine is highly dependent on addressing the significant shortage of well-formed pastors in several countries. Many nations have few seminary professors with advanced-level theological educations. The consequence is that these countries' Lutheran church bodies are unable to adequately train and produce well-formed pastors. They see Concordia Seminary as the gold standard. A seminary is where you send someone to prepare them to serve their church in a meaningful way. They know Concordia Seminary, St. Louis, has over 180 years of experience in quality theological education. They look at the history and see the results.

Concordia Seminary is committed to addressing this concern to further the Great Commission with its Graduate School's ongoing acceptance and preparation of highly qualified international students. Most of these students, after earning their advanced theological degrees, will become master and doctorate level professors at their countries' seminaries. They will assume key roles in raising up the next generation of pastors to proclaim the Gospel among their people. They also will serve as leaders involved in further organizing and growing their church bodies, helping ensure that those living in every region of their nations will hear and learn of the wonderful message of salvation through Christ.

The Graduate School provides high-level theological learning via an interactive seminar format that includes frequent discussion and exchange of information, concepts, and opinions. Foreign students have shared their education not just academically, but there is a deeper spiritual engagement in these courses as well. The Seminary faculty make themselves available outside the classroom. They engage the students by talking with them and learning from them. The foreign students attend chapel and participate in numerous seminary conferences.

Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age (Matthew 28:19-20).

2023–2025 MISSION GRANT NO. 8

EXPANDING GOSPEL PROCLAMATION WORLDWIDE

CONCORDIA SEMINARY, ST. LOUIS, MISSOURI | \$100,000

Advanced Theological Education for International Students

PRAYER #1

Dear heavenly Father, as international students come to grow in their knowledge of You, please empower them with Your Word and Sacraments to complete the task which is ahead of them. Please guide and protect them so that they can return to their home countries and spread the knowledge of You that they have learned at Concordia Seminary. Make them bold witnesses and powerful educators wherever they serve You. In Jesus' name. Amen.

PRAYER #2

Lord, we thank You for these willing servants who have heard the call to be equipped to share the Good News with the people of their home countries. Please bless their ability to learn and grow at Concordia Seminary. Continue to watch over them and their professors as they are prepared to further Your kingdom. You know their needs and will provide for them. Strengthen them through Your Word and Spirit and send them out to comfort and strengthen others with Your Word. In Your name we pray. Amen.

PRAYER #3

Heavenly Father, the funds from this grant will do wonderful things around the world by the training that international pastors will receive while attending Concordia Seminary. May the hearts and minds of the future pastors they will train at home be open to Your Holy Word. Equip them for the work of the ministry, for building up the body of Christ, and spreading the word about salvation. In Jesus' name. Amen.

PRAYER #4

Dear Lord, we give You thanks for the opportunity to be part of spreading Your Word around the world. The significant financial reality is that most of the global students are from developing countries whose church bodies do not have the funds to send them abroad to study. We are grateful for the opportunity to assist with the funding of their advanced education. We know that the world will be transformed by hearing Your Word from the returning pastors in their own countries and mighty things can happen as God's Word is shared. In Jesus' name. Amen.

*Go therefore and
make disciples
of all nations,
baptizing them in
the name of the
Father and of the
Son and of the Holy
Spirit, teaching
them to observe
all that I have
commanded you.
